

To verify product certification, visit www.ipema.org

In the interest of public playground safety, IPEMA provides a third-party certification service whereby T.U.V SUD America, Inc. validates a manufacturer's conformance to the ASTM F1292 Standard Specification for impact attenuation of surfacing materials within the use zone of playground equipment, Section 15 excepted. The manufacturer listed below has received written validation from T.U.V SUD America, Inc. that the products listed below conform with the requirements of ASTM F1292, Section 15 excepted. Misuse of this certificate is punishable under court of law. This certificate only applies to product at specific drop height listed below.

MANUFACTURER:
Zeager Bros. Inc.
4000 East Harrisburg Pike,
Middletown, PA 17057 United States

Product #	Product line	Thickness/Drop Height	Description
08W	WoodCarpet®	8"/8ft	Engineered wood fiber
12W	WoodCarpet®	12"/12ft	Engineered wood fiber

FOR BID USE ONLY.
This certificate is only for verification that Zeager Woodcarpet is certified by the International Play Equipment Manufacturer's Assoc. A dated certificate will be sent to you once you have purchased product for your play area. Go to www.zeager.com

The product(s) listed above was tested at a specific drop height listed above as requested by the Participant, based upon their experience and knowledge of their product, instead of the "critical fall height" as outlined in Section 15.

You may verify this certificate by visiting IPEMA's website at <http://www.ipema.org>
